

AZ HEALTHY CHILD CARE HELPLINE 602-506-6767

The AZ Healthy Child Care Helpline is a free service available to child care centers, home-based providers and preschools anywhere in Arizona to get answers to questions and expert advice on health and safety during COVID-19:

- What to do if a child or staff member tests positive for COVID-19
- What to do if a child or staff member is showing signs and symptoms of illness
- How to safely conduct daily health checks
- Setting up classroom space to support physical distancing
- Proper use of cloth face coverings and PPE in child care

Calls and emails will be answered by child care health professionals specially trained to work with early care and education providers to help promote safe and healthy learning environments for young children and staff.

NOTE: The AZ Healthy Child Care Helpline is free and available to providers who are not already eligible to receive services from Quality First child care health consultants (CCHCs). Quality First participants can learn more about accessing CCHC services at QualityFirstAZ.com/CCHC.
