

AT-A-GLANCE: CURRENT REGIONAL INVESTMENTS

Oral Health

It provides oral health screenings and referral and navigation services to young children and pregnant women, to ensure early detection of the signs of oral disease and the establishment of a dental home. It also includes outreach to medical, oral health and early care and education professionals to provide education on evidence based oral health practices for infants, toddlers and pregnant women. Here are the First Things First regions funding this strategy.

Coconino	\$ 150,000
