

AT-A-GLANCE: CURRENT REGIONAL INVESTMENTS

Resource Coordination and Referral

This strategy strengthens and improves the coordination of services and programs for children birth to age 5. Through coordination and collaboration efforts, it improves and streamlines processes including applications, service qualifications, service delivery and follow-up for families with young children. The intent is to reduce confusion and duplication for service providers and families. Here are the First Things First regions funding these strategies.

Coordination Capacity Building

Pascua Yaqui Tribe	\$ 60,000
Phoenix North	\$ 50,000
Phoenix South	\$ 125,000
Santa Cruz	\$ 10,000
