

First Things First supports early childhood programs in Arizona through grants to community organizations that provide services—at no cost—for young children from birth to age 5 (before kindergarten) and their families.

The Southeast Maricopa Region includes Mesa, Gilbert, parts of Queen Creek and Apache Junction which lie within Maricopa County, and some unincorporated areas adjacent to Mesa or Gilbert.

Parenting

There's no one right way to raise a child, and you don't have to be perfect. These programs are here to help you learn effective ways to support your child's healthy development and learning.

Family Resource Centers

Bring your children and take classes and workshops from trained parent educators, connect with community resources and more, all in one convenient location.

Family, Friend and Neighbor Caregivers

Many children spend parts of the day with non-parent caregivers in informal home settings. Learn how you can better support the health, development and learning of the young children in your care through health and safety practices, educational activities and understanding more about child development.

Reach Out and Read

Reach Out and Read is a program that partners with trusted and trained community pediatricians to share information about the importance of reading with young children and their families during their well-child visits. In addition to discussing this with the family at the visit, the pediatrician will also give them a developmentally appropriate children's book to support their journey.

Child Health and Development

All children develop differently, but it helps to know if they're meeting typical milestones or could use extra assistance, and many medical and dental problems can be prevented.

Dental/Oral Health

Prevent tooth decay by having a professional check your child's teeth (or yours, if you're pregnant), protect your child's teeth with fluoride, and get a referral to a dentist if you need one.

Quality Child Care and Preschool

Quality early learning programs help young children learn, grow and thrive. More than 1,000 child care centers, homes and preschool programs in Arizona participate in Quality First to improve the quality of early learning for kids from birth to age 5. Many offer Quality First Scholarships to help low-income families afford quality early care and education.
